

Palmetto Homeschool Association

For college, scholarship, and other post-high school needs
PHA offers a full transcript program.

- This program is open to all high school students.
- To apply to the transcript program, you must first be approved for the current year's membership. The transcript application will be provided in your membership handbook.
- The deadline for applying to the transcript program is September 30th. Members who are approved after September 30th will have 30 days from date of approval to apply to the transcript program.
- Seniors may not join the program after the September 30th deadline unless they are new to the state and have been homeschooling legally in the state from which they've moved.
- PHA will keep track of student grades in our database and generate a transcript with student GPA tabulated according to South Carolina's Uniform Grading Scale. It will also provide a class ranking.
- This transcript will indicate the member school name and bear the official seal of PHA.
- The cost of this service is \$35/year for freshman and sophomore transcripts and \$50/year for junior and senior transcripts.
- This fee includes sending up to five official transcripts to any colleges, scholarship programs or other institutions at no additional cost. After 5 transcripts have been sent, you may request additional official transcripts indefinitely at \$5/transcript.
